

Q7

Product and Price Guide

Model Year 2020 - Released February 2020

Robust look

The Audi Q7 demonstrates the hallmark SUV elements of the current design language. It bears the large octagon-shaped Single-frame, with six upright slats providing the structure. As such, the SUV looks even more powerful. The two-part side air inlets have a much more expressive line, just like the sill area that underscores the large SUV's ground clearance and, in turn, its offroad capabilities.

The Audi Q7 is maneuverable, precise and agile in urban traffic and on hairpin bends. It behaves as a highly comfortable, poised touring SUV with excellent ride comfort on freeways – particularly in conjunction with the adaptive air suspension. It also provides variable ground clearance and prepares the Audi Q7 with its standard quattro drive for terrain off the beaten track. The relevant offroad mode can be selected via the standard Audi drive select dynamic handling system with its seven profiles.

Sporty onroad, powerful off

The advantage of quattro®

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Q8 so thrilling to drive.

It's called quattro® permanent all-wheel drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe. In the Q8, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles, depending on weather conditions, road surface and gradient. This leads to greater flexibility and an enhanced, sportier drive.

quattro® with Sports differential

The optional electronically regulated Sports differential distributes variable amounts of drive force to each rear wheel, ensuring outstanding acceleration performance in corners and stabilising the vehicle's response to load change. It also brings better direct steering characteristics and, as it requires less steering effort, more

Mild hybrid technology

The standard mild hybrid technology plays a major part in the efficiency of the engines. In customer operation, this technology can reduce consumption by up to 0.7 liters per 100 kilometers. Its central component, the belt alternator starter (BAS), powers a 48-volt main electrical system in which a compact lithium-ion battery stores the energy. During braking, the BAS can recover up to 8 kW of power and feed it back into the battery. If the driver takes their foot off the accelerator at speeds between 55 and 160 km/h, the Audi Q7 recuperates energy, rolls in idle or coasts for up to 40 seconds with the engine switched off.

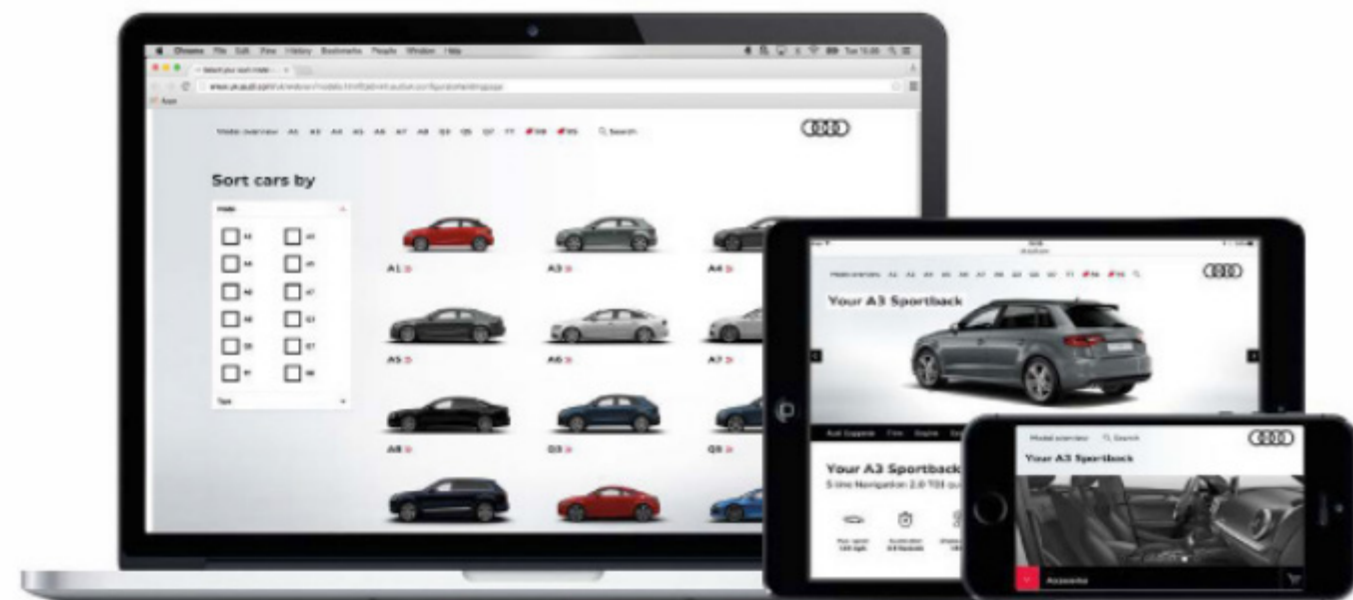

The Audi Q7 combines immense prestige with practical everyday qualities. It outdoes its direct competitors with interior length as well as headroom and elbow room in the front and rear. A host of storage compartments, a new compartment in the instrument panel as well as the high load capacity provide functional utility value. The cockpit architecture harmonizes perfectly with the new, digital operating concept, which incorporates two large touchscreens. They provide haptic and acoustic feedback when clicking on the touch controls.

Audi Configurator

The easy way to build your Audi

Our online configurator makes it simple to create your ideal Audi, using all your favourite options from this pricelist.

Scan your mobile device to build
your own personalised Audi
www.audi.ie

What is a Personal Contract Plan?

Your Audi journey is about to begin with Audi PCP.

Driving away in the car of your dreams is even more attainable with enhanced flexible plans to suit your needs.

- ▶ Audi Finance guarantees the minimum future value (GMFV) so you don't have to worry about the re-sale value of your Audi
- ▶ Low monthly payments allow you to drive away in a higher specification model with the latest technologies
- ▶ Based on a minimum deposit of just 10%
- ▶ Fixed interest rate and fixed monthly payments
- ▶ Flexibility at the end of your agreement with 3 options to choose from
- ▶ New Audi every 3 years
- ▶ Reduced maintenance costs (Avoid NCT costs)

Q7 Standard Equipment (SE)

Exterior Equipment

- ▶ 19" '5-spoke V-style alloy wheels
- ▶ Aluminum roof rails
- ▶ Exterior mirrors, electrically adjustable, heated and folding
- ▶ Exterior mirror housings painted in body colour
- ▶ High-Gloss styling package
- ▶ LED headlamps
- ▶ LED rear combination lamps
- ▶ Separate daytime running light
- ▶ Roof spoiler including center high-mounted stop lamp
- ▶ Heat-insulating glass
- ▶ Lower part of bumpers, front and rear as well as door trim strips and wheel arch trims in matt structured grey, inlays in the door trim strips with quattro embossing and underbody protection, front and rear in matt selenite grey
- ▶ Luggage compartment lid, electrically opening and closing

Seats & Upholstery

- ▶ ISOFIX child seat anchors and top tether for the rear seat bench
- ▶ ISOFIX child seat anchors for front passenger seat
- ▶ 2-zone climate control system
- ▶ Head restraints, front
- ▶ Standard front seats, electrically adjustable
- ▶ 4-way lumbar support for the front seats
- ▶ Heated front seats
- ▶ Leather combination mono.pur 550 upholstery
- ▶ 3rd row of seats with center armrest, double folding, seat longitudinal adjustment, and backrest tilt adjustment, 7-seater

Interior Equipment

- ▶ Operating buttons in Black glass look with haptic feedback and extended aluminum look
- ▶ Auto-dimming interior rearview mirror, frameless
- ▶ Deluxe front centre armrest
- ▶ Ambient lighting package
- ▶ Diamond paint finish silver grey inlays
- ▶ Scuff plates with aluminum inserts in front and rear
- ▶ Front and rear floor mats
- ▶ Headlining in cloth, lunar silver
- ▶ 3-spoke leather steering wheel with multifunction plus
- ▶ Manual luggage compartment cover
- ▶ Luggage compartment floor mat
- ▶ Plastic loading edge protection
- ▶ Cigarette lighter and ashtrays
- ▶ Sun visor on driver and front passenger side

Technology & Security

- ▶ Audi Drive Select
- ▶ Adaptive air suspension
- ▶ Anti-theft alarm system
- ▶ Anti-theft wheel bolts and loose wheel detection
- ▶ quattro (with self-locking center differential)
- ▶ Remote control key with Safelock
- ▶ Tyre pressure loss indicator
- ▶ Driver and front passenger airbag with front passenger airbag deactivation
- ▶ Electric auxiliary air heater
- ▶ Audi connect Emergency Call & Service with Audi connect Remote & Control
- ▶ Extended pedestrian protection
- ▶ First-aid kit with warning triangle
- ▶ Side airbags, front, and head airbag system
- ▶ Fuel tank with increased volume (85l)
- ▶ AdBlue tank with increased volume (24l)
- ▶ Electromechanical power steering
- ▶ Seat belt reminder front

- ▶ Start-Stop system
- ▶ Vehicle tool kit
- ▶ Tyre repair kit
- ▶ Model designation as per new engine power designation

Infotainment, Audio & Communication

- ▶ Audi music interface in front
- ▶ Audi sound system
- ▶ Digital audio broadcasting
- ▶ Bluetooth interface
- ▶ Audi virtual cockpit
- ▶ MMI navigation plus with MMI touch response
- ▶ MMI radio plus with MMI touch response
- ▶ Audi connect navigation & infotainment
- ▶ Audi smartphone interface

Assistance Systems

- ▶ Camera-based traffic sign recognition
- ▶ Cruise control system with speed limiter
- ▶ Parking aid Plus (front and rear sensors)
- ▶ Rear view camera system
- ▶ Hold assist
- ▶ Audi pre sense front
- ▶ Lane departure warning

Q7 S line

S line adds the following equipment over Standard models:

- + 20" '5-spoke turbine style alloy wheels
- + Matrix LED headlamps and LED rear combination lamps with dynamic turn signal
- + Privacy glass
- + S line bumpers in full paint finish
- + S line logo and S emblems
- + Sports seats in front
- + Valcona leather with embossed "S"
- + Decorative inserts in Matte Brushed Aluminum
- + Scuff plates with aluminum inserts in front and rear, illuminated, with "S" logo in front
- + Pedals and footrest in stainless steel
- + Headliner in black cloth
- + Stainless steel loading edge protection
- + Adaptive air suspension - sport

SQ7

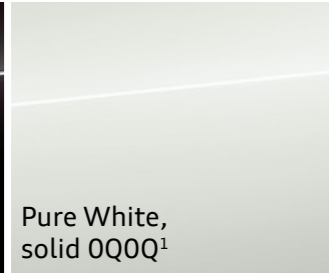

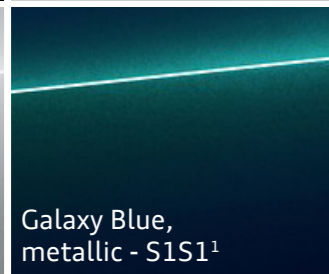

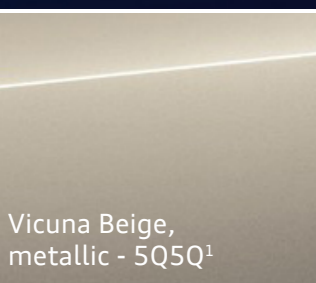

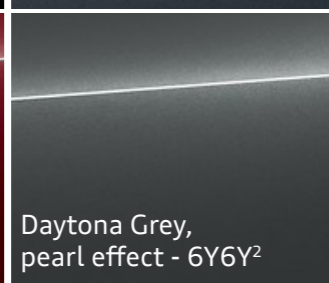

SQ7 adds the following equipment over S line models:

- + 21" '5-double-spoke V-style alloy wheels
- + Brake callipers painted in Black
- + Exterior mirror housings in Aluminum Look
- + Headlamp washer system
- + S model bumpers in full paint finish
- + Audi drive select with efficiency
- + Sports contour leather-wrapped steering wheel with multi-function Plus, 3-spoke, flat-bottomed

SQ7

Q7 Optional Equipment

Exterior Equipment

		Pricing from	
		SE	S line
4ZD	Black styling package , adds black highlights to the exterior around the Audi Singleframe, the trim strips on the side windows, the side door inlays, the front and rear bumpers and the exterior mirror housings. Only in combination with black roof rails.	€432	€1,078
3S2	Roof rails, black	€0	€0
2K1	Bumpers in body colour , lower part of bumpers, front and rear as well as door trim strips and wheel arch trims in full paint finish (body colour), inlays in the door trim strips with quattro embossing and underbody protection, front and rear in matt selenite grey.	€913	N/A
PXC	Matrix LED headlamps and LED rear combination lamps with dynamic turn signal , combines LED light sources with precision optics for highly adaptive light distribution. If vehicles are detected by the camera system, the system selectively blanks out only the area of the detected vehicle while all other segments of the high beam remain active. Switching between the respective light distributions and regulation while oncoming traffic is passing are visible in the headlights as dynamic operations. The driver enjoys much greater visibility.	€2,239	Standard
8X1	Headlight cleaning system	€514	€514
8G1	High-beam assist , within system limits, the high-beam assist automatically detects the headlights of oncoming traffic, the rear lights of other road users and light sources in built-up areas. The high beam is switched on or off automatically, depending on the traffic situation.	€250	N/A
PXB	HD Matrix LED headlights with Audi laser light and LED rear lights and headlight cleaning system , supplements the LED high beam at higher speeds and provides the driver with noticeably more safety and convenience by almost doubling the visual range. The visualisation of this innovative technology achieved through the blue LED lighting and the X element in the headlight give these innovative technologies their own character.	€3,978	€1,739
6FJ	Exterior mirror housings painted in black	€175	€175
6FQ	Exterior mirror housings in carbon , with/without Audi Side assist.	€915	€915
6XL	Exterior mirrors, power-adjustable, heated and folding, auto-dimming on both sides, with memory feature	€331	€331
6XF	Exterior mirrors, power-adjustable, heated and folding, with memory feature	€0	€0
6XK	Exterior mirrors, power-adjustable, heated and folding, auto-dimming on both sides	€331	€331

Q7 Optional Equipment

Exterior Equipment

		Pricing from	
		SE	S line
QT7	Running boards , made of stainless stell, rubber pads reduce the risk of slipping, each running board has a load capacity of 150 kg.	€1,459	€1,459
1D3	Trailer towing hitch , the electrically swivelling trailer towing hitch can be easily locked and unlocked using the release mechanism. Other benefits: Ball joint attachment, can be folded and released electrically, ball rod and coupling made of forged steel, control via buttons in the luggage compartment, trailer stabilisation via electronic stabilisation control (ESC). The integrated swivelling system plug allows the electrical devices in the trailer or caravan to run continuously while driving, and is concealed when not in use by swivelling under the rear bumper apron.	€1,641	€1,641
1D9	Trailer towing hitch, including trailer assistant <ul style="list-style-type: none">▸ Supports the driver in guiding the vehicle/trailer combination when reversing▸ Vehicle/trailer combination no longer has to be continuously stabilised by the driver▸ Collisions between the vehicle and trailer are prevented when the system is active▸ Vehicle/trailer combination steered by touch control in the MMI display▸ Compatible with all trailers with rigid drawbar▸ Feedback about vehicle/trailer combination and system state in MMI display	€1,972	€1,972
3FU	Panoramic glass sunroof , two-part, electric operation for tilting and opening the front glass element; Tinted glass element; Includes an electrically controlled sun visor for the front and rear passengers; convenience closing from the outside with the remote control key; Provides for a pleasant, well-lit interior; Improved interior climate due to efficient ventilation, integrated wind deflector reduces wind noise when the roof is open.	€2,901	€2,901
QL5	Privacy glazing (darkened glazing) , dark-tinted rear window, rear door windows and rear side windows.	€747	Standard
PC2	Brake calipers painted in Red	N/A	€663

9AE	4-zone climate control system	€1,326	€1,326
3GN	Rail system with load-securing kit, in luggage compartment, with telescopic rod, securing strap and variable lashing points to enable the luggage compartment to be individually split according to requirements and for securing objects.	€465	€465
3CX	Partition net, can be attached to the body or to the folded rear seat backrest, comes in handy with rear seat backrest in upright position or one side folded down, or completely folded down; removable.	€149	€149

Q7 Optional Equipment

Technology & Security

		Pricing from	
		SE	S line
PG3	Convenience key in conjunction with anti-theft alarm , the convenience key allows easy control of access and engine start authorisation, without needing to actually operate the vehicle key. The electronic access and drive authorisation system enables opening of vehicle doors and the luggage compartment lid via wireless communication between key and vehicle, while door handle sensors lock them again. Simply carry your convenience key to be able to do this. The engine is switched on and off with the engine start-stop button.	€2,040	€2,040
2F1	Audi connect key , your Android smartphone now becomes your digital vehicle key. Your mobile phone takes over functions you are already familiar with from your Audi key: locking and unlocking of the vehicle as well as engine start authorisation by placing the compatible Android smartphone in the universal mobile phone holder in the centre armrest. You can pass on up to five digital vehicle keys to colleagues, friends and family simply and conveniently using the myAudi app on your smartphone. This makes having to personally hand over the vehicle key a thing of the past.	€266	€266
2Z0	No model name and power/technology logo	€0	€0
2Z7	No performance/technology logo	€0	€0
9JA	Non-smoker package , no cigarette lighter and ashtray, 12-Volt socket front and rear.	€0	€0
2MA	Adaptive air suspension – sport	€413	Standard
ON5	All-wheel steering	€1,907	€1,907
4X4	Side airbags in rear	€663	€663

Q7 Optional Equipment

Infotainment, Audio & Communication

Audi Virtual Cockpit Plus - 9S9

Innovative, fully digital 12.3-inch instrument cluster in full HD resolution with additional graphic display options “dynamic” and “sport” in addition to the regular instrument display in “classic” design.

The Audi virtual cockpit plus supports the flexible display of information tailored to the driver’s needs, such as: speed/engine speed, maps, Audi connect services, radio/media information, etc.

Pricing from: | SE: €250 | S line: €250

Audi music interface in the rear - UF8

2 USB ports with charging and data function in rear in addition to 2 ports at front to play music from portable storage (USB, smartphone, MP3 player).

Only in combination with 4-zone climate control.

Pricing from: | SE: €250 | S line: €250

Bose Premium Sound System with 3D sound - PMA

Sound reproduction via 19 loudspeakers including 3D sound speakers, centre speaker and subwoofer, 15-channel amplifier with a total output of 558 watts; Spatial sound reproduction thanks to the new 3D sound feature for the front seats. The spatial sound is generated by additional loudspeakers in the A-pillar, the mid-range speakers and Bose® Advanced Staging Technology. The 3D sound can be generated from all sources. This creates an exceptionally authentic 3D surround experience, giving occupants a first row concert hall experience. Lighting in loudspeaker trims.

Pricing from: | SE: €1,907 | S line: €1,907

Audi phone box light/Audi phone box - 9ZV/9ZE

Audi phone box light offers inductive charging station (Qi standard) with 5 watts including left-behind warning and charge status display in the MMI. Telephone holder (170 x 87 mm) in the front centre armrest. A second mobile phone can be connected for double hands-free use (2x HFP).

Audi phone box additionally includes internal coupling aerial for connecting the mobile phone to the exterior aerial for low radiation inside the vehicle and clearly improved signal quality; with LTE support.

9ZV: Pricing from: | SE: €497 | S line: €497

9ZE: Pricing from: | SE: €829 | S line: €829

Q7 Optional Equipment

Assistance Systems

360 degree cameras - PCD

Includes:

- ▶ 360-degree cameras
- ▶ Parking aid plus with 360° display

Image for illustration pruposes only.

Pricing from: | SE: €474 | S line: €474

Park assist - 7X5

Provides support when parking and leaving a parking space with appropriate steering manoeuvres. Ultrasonic sensors search for suitable parallel and perpendicular parking spaces. The ideal parking path is calculated for perpendicular parking spaces (forwards and backwards) and the ideal parking and exiting path for parallel spaces. The system performs the steering manoeuvre itself. All the driver has to do is shift gears, operate the accelerator and brake pedals and monitor the parking process as per the instructions on the display.

Image for illustration purposes only.

Pricing from: | SE: €647 | S line: €647

Audi pre sense basic - 7W1

Where necessary, actions are taken to help protect the driver and passengers if a potential collision is detected. Includes the following:

- ▶ Seat belt tightening for front and rear
- ▶ Closing the windows
- ▶ Closing the panoramic roof (if fitted)

Image for illustration purposes only.

Pricing from: | SE: €497 | S line: €497

Head-up display - KS1

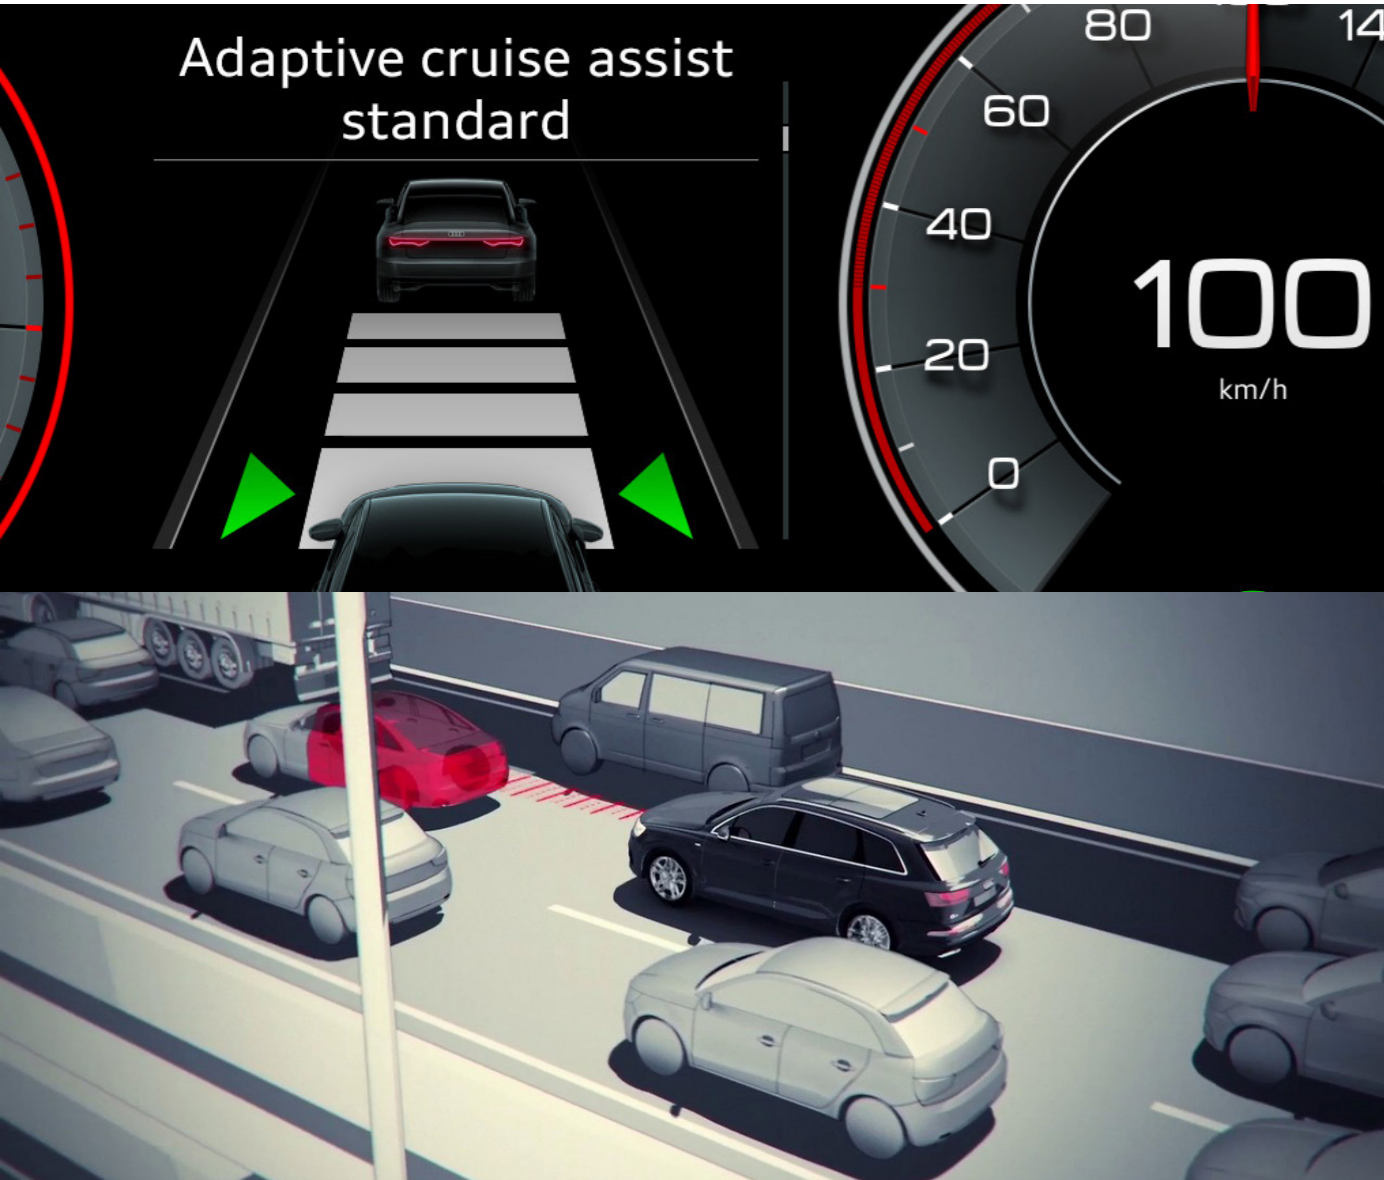

Shows as required the speed and further information relevant to the driver from the optionally available equipment, such as assistance systems and navigation, as well as warning symbols in the driver's direct field of vision; brightness, height and rotation adjustable; makes high-contrast, multicolour display possible with minimum distraction from the road.

Pricing from: | SE: €2,320 | S line: €2,320

Q7 Optional Equipment

Assistance Systems

Adaptive cruise assist with emergency assist - 6I6

Within the systems limits, adaptive cruise assist helps the driver accelerate, brake, maintain speed and distance as well as stay in lane. This can increase ride comfort, especially on long journeys. Emergency assist detects within system limits when the driver fails to respond. The system provides the driver with a visual, acoustic and haptic warning. If the driver does not respond, the system assumes control of the vehicle, automatically bringing it to a stop in its own lane. Audi pre sense protective measures are activated and the vehicle is prepared for a rescue of the occupants. If available, an automatic emergency call is made.

Only in combination with tour pack and pre sense basic. Image for illustration purposes only.

Pricing from: | SE: €331 | S line: €331

Tour assistance package - PCC

Tour assist package contains a selection of assistance systems that can increase safety and comfort, in particular on cross-country and long-distance journeys.

- Adaptive drive assist
- Adaptive speed assist
- Lane guidance assist
- Efficiency assist
- Turn assist
- Collision avoidance assist
- Camera-based traffic sign recognition
- Emergency assist
- High-beam assist

Only in combination with pre sense basic.

Pricing from: | SE: €2,138 | S line: €2,138

City assistance package - PCM

The City assist package includes assistance functions designed specifically for urban traffic:

- Crossing assist
- Lane change warning
- Exit warning
- Cross traffic assist at rear
- Audi pre sense rear
- Audi pre sense side

Pricing from: | SE: €2,320 | S line: €2,320

Performance/consumption		
Top speed in km/h	229	241
Acceleration 0–100 km/h in s	7.3	6.5
Fuel grade	Diesel sulphur-free	Diesel sulphur-free
Fuel consumption in l/100 km NEDC*		
urban	8.0	7.5
extra-urban	6.5-6.4	6.5
combined	7.0	6.8
CO ₂ emissions combined in g/km NEDC*	184	180-179
Fuel consumption in l/100 km WLTP combined*	9.0-8.5	9.0-8.5
CO ₂ emissions combined in g/km WLTP*	234-221	234-221
NOx emissions in mg	51.7	56.1
Emissions standard	EU6	EU6

* The stated fuel consumption and emission values were determined according to the legally prescribed measurement procedures. Since 1 September 2017, certain new cars have already been type-approved under the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption and CO₂ emissions. From 1 September 2018, the WLTP will progressively replace the new European Driving Cycle (NEDC). Because of the more realistic test conditions, fuel consumption and CO₂ measured according to the WLTP are Emission values are in many cases higher than those measured according to the NEDC. As a result, from 1 September 2018, changes in vehicle taxation may result. Values stated above are WLTP values. Irish taxation is based on NEDC2.0 values. Further information on the differences between WLTP and NEDC can be found at www.audi.ie/wltp. All retail prices include both CO₂ and NOx element of VRT. Please note, these values are subject to change based on configuration. WLTP ranges and NOx values shown are accurate at the time of publishing. Please visit our online configurator at www.Audi.ie to display the WLTP values & NOx values which are specific to your new Audi's individual specification. Final NOx emission data will be issued on delivery of your vehicle.

SQ7 Technical Data & Dimensions

Model	Diesel
	SQ7 TDI 435HP
Engine type	4.0 l diesel engine
Displacement in cc	3956
Max. output ¹ in BHP at rpm	435/3750-4750
Max. torque in Nm at rpm	900/1250-3250
Power transmission/wheels	
Type of drive	All wheel drive quattro
Transmission	8 Speed tiptronic
Weights/capacities	
Unladen weight ² in kg	2395
Gross vehicle weight in kg	3015
Roof load/trailer nose weight in kg	100/140
Towing capacity in kg (braked - 12% gradient)	3500
Tank capacity, approx. (l)	85
AdBlue tank capacity approx. (l)	24
Performance/consumption	
Top speed in km/h	250
Acceleration 0–100 km/h in s	4.8
Fuel grade	Diesel sulphur-free
Fuel consumption in l/100 km NEDC*	
urban	8.6
extra-urban	6.9
combined	7.5
CO ₂ emissions combined in g/km NEDC*	198
Fuel consumption in l/100 km WLTP combined*	9.7-9.3
CO ₂ emissions combined in g/km WLTP*	254-245
NOx emissions in mg	41.9
Emissions standard	EU6
